

GUIDE Association – Global Universities In Distance Education – is pleased to inform you that the first issue of the research journal *Digital Universities: International Best Practices and Applications* is now available. The digital version is online at <http://digitaluniversities.guideassociation.org/>

Digital Universities is a four-monthly journal, published in print and digital version, by GUIDE Association and Guglielmo Marconi University. The first issue includes:

Editorial:

- Culture and cultures: the world's thousands of versions compared to global modernization

Pedagogy:

- Massive Open Online Courses (MOOCs): education to change society?

Science:

- How modern technologies solve laboratory's dilemma in distance learning
- Instructional design of technical disciplines in the implementation of distance education in the Tula State University
- Simulation design of wireless communications for digital universities in developing countries

Technology:

- PBL Working Environment: an expert system to learn the Problem-Based Learning pedagogy
- The responsive teaching/learning revolution: the impact of requests for the portability of services and contents for distance education on instructional models and technologies

Business:

- Blended and online learning in a career service

The Call for papers for the second issue is now open!

Submit an original article for peer review
